

# Nineteenth-Century Scavenger Hunt

Each one of these items can be found in at least two places at The Farmers' Museum. Keep your eyes open and write down where you found them.

|                              |       |       |
|------------------------------|-------|-------|
| Broom                        | _____ | _____ |
| Hat                          | _____ | _____ |

| Barn                         | _____ | _____ |
| Band Box                     | _____ | _____ |

Do you think people at the different buildings have these things for different reasons?

Where are these items made, bought, sold or used?

Which building had the most items?
